

Sunday Evening -

My dear Harry:-

Was with William
and Mamie for Thanksgiving, and
we decided we should be very
thankful this year, for your recovery,
altho' slow, the doctor told Ray
you could get well, and that
operation added years to your life.
I trust that the nerves are im-
proving, for that in itself is
hard to cope with. Wm. looks
real well, and very cheerful,
think with this doctor that ma-
nipulating his spine will come
out all right. has made him
nervous, & he says it has helped
him a lot. Mamie gave me some
turkey and have eaten it now
every dinner since, and still taste
fine, and is made into hash
this evening. wish you could

see their home, it is the
most attractive one they have
had, and both take such an
interest in making it so, and
most comfortable. Mamie is
a fine wife for him, and
deserve a lot of praise.

May Le Bef told you of
the nice things Ryan said
about Wm. and the latter
had told me what a
help Ryan was to you & him,
a mutual admiration, and
glad they came into a real
contact with each other, for
both are fine, I think.

Became rather reckless
the other day and bought
a coat, after 12 years thought
I needed one, just had paid
so much out fixing up an
old Coracul coat, decided to
look respectable, would get
reckless, I had saved a

little money for just such
an emergency. My Radio is
acting up terribly, think some are
mad. He in my aerial, so
will see about it, run me
Crazy. I do love to listen
in, there are so many good
things in, heard the South
American program this even-
ing, rather jerky but was
most interesting, the way
Roorentz has been received,
"Behold the Conquering Hero
Comes" suits him.

We women are much
stirred up over the King-
Dionpro affair, and for
them and hope they win.

Now you are tired of
reading so much nonsense,
so will let you rest.

So trust you are growing
better and better, try not to
worry for it - don't let it be a
matter, and, just rest your
head & 'take it' easy & get
well.

Lots of love and good
wishes for you & family!

Wff. I am -

Hope Bob Henry & Thelma
are well, love for both!
