

March 1 - 1924

Dear Mary -

I get the letter
off today - I am sorry
it did not reach there
before now -

I will answer some
of your questions. Just
forgot it when I wrote.
Jim Tolley is no kin
to me - My mother and
married Billy Tolley
A cousin of Jim's -
Billy is the son of

Capt William Tolley a
noted politician of
this County whom we all
knew well - My father
Jo McCallum was a
distant relative of ours, but
her mother was a sister
of John J. McCallum
mother (first Lizzies) whom
we all loved very much
she was of course our
favorite which made
her seem closer than
she really was -
My has an interesting
family - Her oldest
daughter Lila married
Boff Taylor son. She

then one way, and they
live Washington. He has
been successful in his
business. The second
daughter Freda, a
beauty, married a son
in Chicago. Her eldest son
has been prominent in
athletics during his college
days. has Captain of
boarder built to suit
lives in. Chatterbox
20 married a Miss Hughes
in Colorado. They have
a fine home near
Spring Hill. &
we never hear one
word from Lila or

onabel - Cousin Jennie
Beatie is doing fine
she is 85 years old and
very strong - inter-
tains hospital & friends
she is educated, and
a cultured woman. But
her hair - she had on my
father's, and a slip-
of her was moved to get
it away from her -
Before her money was
all gone she knew people
begged her to go to the
old woman's home - she
has a great deal of
pride and it is harder
to her that she has

and paying her way
at the hospital here
I was married for
her mother, Aunt
Katherine Edmondson.
Her father was very
brother & then
Beattie - He died when
Jennie was 4 years old
she talks about her
father a great deal and
feels, her life would
be very different if he
had lived - she likes
great in family and
country - Her ancestors
were all in the battle

of Kings Mountain
about 1800 - he had
a clerk nearly 30 years
she was spending - she
has been sick since
now, since then, he
had had 4 - he had
a girl he liked very
well - she shared the
"Charlotte" all night
got the prize. but all
the surrounding towns
tried to come to get
breakfast next morning
which is now from the
here he dismissed
her and he once

now, more than
ever - while her a
very fine dinner last
Friday - she is considered
one of the finest cooks
in town - she has a
girl to help - she had
12 guests - she has too
much company all
the time, and so
much church work, club
work - so on my dear ones
on her - she is attending
to cousin Jennie all
the time she looks for
her, and wishes for her

every day -
you can give this
to Mollie and she
can get straight on
the College - Jim's account
to be a prominent citizen
down there. Also she
suggested in the Moore
village of know all about
them. They are course-
tion of Dale Holts -
on leave thanks she
will go home Thursday 9
Her brother is in for my study
