Sen. Harry Walker,
Montgomery,
Ala.

My Dear Harry:-

I am glad to
Address you as "Sen. Walker",
and I want to praise,
and thank you for
your most valuable Bill,
that you introduced, and
carried for our farmers.
I kept close in behind
it. I sent some of the
clippings to Sister Ida
at Clearwater Fla. I hear
from her often. They
were to see us last

Summer, now I see where
one of the Legislators
is, I think acting cra-
zy, where he had intro-
duced a Bill prohibit-
ing any oil Co. from
drilling in the Chi
gentleman is from
Tuscaloosa (Mr. Nye.)
I want you to please
get this Bill pass.
I have written to Sen-
Farmer from Houston,
to help you with this;
there are several oil Co's
wanting to drill our
lands this yr - under

a good Contract)
I cant understand
why this gentleman
would think of such
a Bill. I trust I am
not asking too much
of you.

Sincerely-
Maud Jennie Farmer-
