Hon. Harry Walker.,
Montgomery, Ala.

Dear Mr. Walker:-

I am writing you to ask your active support
in passing a bill entitled " Fair Trade Act" which I understand
will come up in the house shortly.

I beleive this to be a good bill for the small
retailer and one which will eventually help the entire retail
trade by stabilizing retail prices and eliminating the cutp price
evil.

It is unanimous with all the merchants that I have
contacted and you will not hurt yourself with them in supporting
this bill.

Sending kindest regards and best wishes, I am,

Yours very truly

Hoyt Greer
