Dear Dad:-

I paid my tuition today and am comfortably installed in Kissan. Am going to the station tonight to see ~~that~~ Uncle John. You told me that he was to pass thru here at 8 o'clock. Went down to Meadows today & they are sending you your shoes tomorrow, they will fit you I think tho I am not sure. They cost \$12 just as you said. You're mighty fishy with your dividends. If you have too much send it to me I can use it! We are going to have a fraternity

meeting Saturday & I will be  
a cripple Sunday. What are  
your views on fraternity stuff?  
As usual I am strong for  
the Irish. This time it's  
Leslie M. P. Carty of Columbia.  
She's a peach and has the  
Irish in her favor. However  
I don't let dates get mixed  
up with my work as I  
have had only one since  
I got here. How'd Athens?  
As you see I am with the  
colors! Tell Mother to send  
me the following things, the small  
rug that she had in the bathroom,  
my other gray shirt, clean preferably, my  
sheets, but no pillow as I have one, and  
some coat hangers.

Love to All

Bill
