R. H. WALKER, SENATOR  
1ST DISTRICT--LAUDERDALE AND  
LIMESTONE  
ATHENS

## SENATE CHAMBER

MONTGOMERY

Oct. 12, 1932.

Dear Memory:

Have just written William that I am trying to get some complimentary tickets for the Ala/-Tenn. game in B'ham Saturday. Told him if I could get four that he could come by Athens and take you and Bob Henry; of course the hotel rent would be arranged for with advertising. Hubert Baughn promised to get two tickets if possible from the B'ham Post, but wont know until F tomorrow or Friday. I hope it can be arranged as I think you-all would enjoy the game and Bill told me several weeks ago that he would like to see one of the better games Alabama plays in B'ham. He also wants to talk with Mills, head man of the B'ham Post, a Scripps-Howard paper.

I tried to get you over phone Monday afternoon before I left when I found note saying you had called. Before I could get you Fletcher came by and had to leave before I could get you to the phone.

I was worried after I left because I didn't get to talk further with Bob Henry about school; I noted he did not go to school immediately after dinner Monday and was rather surly about it all. I regret his attitude toward school; high school at Athens is all I can possibly give him now. He should take advantage of the opportunity he has there and it may be that when he completes that course I can arrange for a scholarship at some ~~xxxxxx~~ college/for him. As Jim Cannon told me he has too fine a mind not to devote more time to study. He said he could learn anything he wanted to. I wish you would talk with him and insist on him studying.

The sales tax and gas tax were defeated yesterday, but we can't tell when they will bob up again. We are all very tired and everybody is getting fractious.

Love to you and Bob Henry.

As ever,
