

Tonawilla, Ga.

May 28th 1893

My dear Harry -

Your letter was
received yesterday. I am
as glad you are com-
ing to see me before
I go home. You see I
want to show you off
to these people. Sunday
week will suit me alright.

Our school will be out 8. day week
and I will probably leave the
latter part of the following week.

Donaldsonville is a small and
rough place, but some of the peo-
ple are very nice. I will try to
make you enjoy yourself.

I am going to Bainbridge
this afternoon to attend the
examination. I don't know how
I will come out, but probably it
won't be so bad as I think.

Excuse this hastily
written letter, and
be sure to come.

Yours with love,
Cornelia
