

ALABAMA

R. H. WALKER, SENATOR
1ST DISTRICT--LAUDERDALE AND
LIMESTONE
ATHENS

SENATE CHAMBER

MONTGOMERY

Oct. 26, 1932.

My dear Memory:

I am enclosing letter I received this afternoon from William, telling of his visit to Mars' place. It looks as if his luck is staying with him in making good contacts. I hope he will be able to sell the article to Fortune, as it would give Giles county and our section a wonderful lot of advertising.

I sincerely hope you have gotten entirely well. I told Bob Henry to let me know if you didn't ~~get~~ improve, but have heard nothing from him. I take it you are certainly not any worse or I would have heard before now.

With much love.

Devotedly,

Harry

Peter Brannon's daughter, about 20, died this afternoon, I just heard.
