

STATE OF ALABAMA
DEPARTMENT OF ARCHIVES AND HISTORY

Founded by Thomas M. Owen, LL.D., 1901

MONTGOMERY

July 31, 1934.

REPLY REFER TO FILE NO.

My dear Mr. Walker:

I sent you on Friday a copy of the Constitution of Alabama with amendments up-to-date. I trust this document will be useful to you in refreshing your memory on the subjects treated so that when you come to the legislature you will not have to take the time to look them up.

As you may know, the State Department of Archives and History is delegated with the duties of a legislative reference library. If you will advise me of the subjects in which you will be especially interested I will take pleasure in bringing together as much out of state material as might be useful for comparative purposes.

Enclosed is a biographical blank which I will ask you to fill out and return. The facts you send will be used in your sketch in the Official and Statistical Register for 1935.

Let me congratulate you on your selection for the responsible position to which you have just been chosen by your people, and extend to you a cordial invitation to make use of the collections of this Department, both in the way of using our Library and in drawing bills. This latter service, as well as every other service the Department can render, is of course entirely free.

Respectfully,

Marie B. Owen

Director.
