Saturday -
12 West 97 St.
New York.

Dear Aunt Mewey & kids Harry -

I just want to
tell you how much Bob
and I have enjoyed seeing
Bill and Marie since we
got back. They came up
for dinner soon after, and
it was a great pleasure
to really get to know
Marie and to know Bill
again after all those years.

Last night they took us to
the Theatre — "It's a wise
child". We all enjoyed it
so much, and I laughed
all evening — the first time
in many months.

Walter is resting
in Toronto with Aunt
Mary and is coming up
here for December. These
next months will be hard ones
for her. It takes time now
to fully realize such a loss
as Father's and I know
you are feeling it too.

Yr ltr was so wonderful
to Father and to us, and I
cant tell yr how much
it meant. It is sweet to
know that Father uses yr,
under those great, lovely trees.

Bob joins me
kindest regards to yr ltr.
affectionately,

With
