Mr. R. H. Walker, Jr.,  
Limestone Democrat,  
Athens, Alabama.

My dear Mr. Walker:

Mr. Neely called me over long distance yesterday, June 11, 1936, and suggested and authorized that we change the extension date for removal of your buildings near Harris Station from June 20 to July 15, 1936. We are, therefore, advising that you may have until July 15, 1936 in which to remove these buildings.

Again we wish for your father a speedy recovery.

Most cordially yours,

TENNESSEE VALLEY AUTHORITY
