

ROOSEVELT MEMORIAL ASSOCIATION

of the

TENNESSEE RIVER VALLEY, INC. September 19, 1936

Hon. R. H. Walker
Athens, Alabama

My dear Mr. Walker:

You have been notified that the initial meeting of the Drive of the Roosevelt Memorial Association has been set for 7:30 P. M., September 30, 1936, at the Thomas Jefferson Hotel, in Birmingham, Alabama. As State Chairman, I am writing to urge your attendance at this meeting. Your presence is absolutely essential, not only to the work in the State, but to the success of the campaign in your County.

At this meeting definite information will be given to the workers with reference to the conduct of the campaign, the beginning of which has been set for October 1st. Please be present and have your publicity director and any other members of your committee whom you desire.

Mr. Saliba has very successfully secured the support of the most influential men in all of the counties of the State for this drive. We shall have present on the 30th a number of distinguished workers. We hope to have Governor Graves and Governor McAllister of Tennessee present, also many of our Congressmen. We feel that it is absolutely necessary that your county and every other county in North and Central Alabama be well represented. A later meeting will be held for South Alabama.

Please notify Mr. Ralph Saliba, 404 Title Guarantee Building, Birmingham, Alabama, of the number who will be present from your County. This is necessary in order to make proper arrangements.

You and your workers will be the guests at this dinner of the Jefferson County Committee of the Drive.

Sincerely yours,

Hugh A. Locke

Hugh A. Locke,

State Chairman Roosevelt Memorial Ass'n.
