Dear Sirs:

Your letter of April 3rd, addressed to the Limestone Democrat at Athens, Alabama, has been forwarded to me here.

I will be glad to give you the information requested. Our advertising rate is thirty-five cents per inch less the usual advertising commission. Our circulation is 1675 weekly.

We will be indeed glad to have your order for your advertising, and regret that your letter was not answered sooner, but I have been forced to remain in Montgomery on Legislative duties, hence, the delay.

Yours very truly,
