Mr. Edd C. Sherling,
% Federal Land Bank,
Jackson, Mississippi.

Dear Mr. Sherling:

I suppose you have sent the abstract title to the Patterson land to Mr. Morgan at Decatur as per my request.

Mr. Murphree wants to settle for the place in full on Saturday April 20th. I hope you will have it so arranged that someone in Decatur will be authorized to go to Athens and satisfy the records for the deferred payments on this farm.

As I wrote you some days ago, Mr. Murphee is buying this place from Mr. Goode and myself and paying all cash for same.

Your prompt attention to above will be greatly appreciated.

Sincerely yours,

RHW:rc
