Mr. Tony Sudekum, President
The Crescent Amusement Company,
Nashville, Tenn.

Dear Mr. Sudekum:

Your letter of January 13, was duly received, but my duties here have prevented me from answering sooner.

I want to thank you for the view you have taken on the matter of increasing the rent on the theatre to \$200.00 per month, the original lease figure. In the event business falls off this summer to an appreciable degree I will try to work out some plan by which I can make some concession.

Assuring you of my sincere appreciation of your many kindnesses in the past, I remain

Sincerely yours,
