I'm Free

Don't grieve for me, for now I'm free.
I'm following the path God has laid you see.
I took His hand when I heard Him call.
I turned my back and left it all.
I could not stay another day,
To laugh, to love, to work, or play.
Task left undone must stay that way.
I found that peace at the close of the day.

If my parting has left a void,
Then fill it with remembered joys.
A friendship shared, a laugh, a kiss,
Oh yes, these things I too will miss.

Be not burdened with times of sorrow.
I wish you the sunshine of tomorrow.
My life's been full, I savored much.
Good friends, good time, a loved one's touch.

Perhaps my time seemed all to brief.
Don't lengthen it now with undue grief.
Lift up your hearts and peace to thee.
God wanted me now: He set me free

A Tribute to Mother

*Honesty is just one virtue Mom,
That you did possess; your love,
Patience, and wisdom
Added to all of our happiness.
Though you've gone from us, your memories
will always abide, and we will again be
Together, when we cross the flowing tide.*
