Mr. R. H. Walker,

Denver, Colo.

Dear Harry:-

I have your letter relative to collateral used and have filed same away but have never felt like this was essential.

We haven't made a move about the Boyd place and may not have any work done there until after you get home. You, of course, haven't felt a stringency in the money market and I hope that you will be fortunate enough to escape any such contact but we have heard that money is hard to get and have let our sympathy for the banks keep us from drawing our money out for farm improvement. This work will have to be done but will take this up when you get home.

Earle Smith, wife and daughter are in Colo. and may be near Denver. Their address is Ward, Colo., c/o Stapps Lake. If you are near this point, I am sure that they would be glad to see you and you, no doubt, would like to meet with them.

I am glad that you are enjoying your stay in Colo. and I hope that you will get some real good out of the trip.

Crops are looking good. If the weather is in our favor, we ought to be able to do something with the lots in Belle Mina and the Boyd place.

Yours,
