Dear Mr. Walker,

I have heard of your illness and I am sorry I have not written sooner. I certainly do hope you will be up and around, in the next few days.

I'm awfully sorry, but on account of my school work, I will not be able to be a page at the coming session of the legislature, as I was in the last two sessions.

This is to let you know how much I appreciate you appointing me before and how much I valued your friendship during this time.

Thanking you again, I am

yours sincerely
John Orr
