Hon. Harry Walker
Athens, Alabama

Dear Mr. Walker:

Received your statement a week or so ago. Will pay you by degrees until I get you paid up. I should have never let it get so far behind, but neglect and depression combined can be given as a part excuse. I have no alibi to offer.

In your paper~~st~~ last week, you failed to give Jackson county credit for being represented at the meeting to hear Dr. Morgan at Athens. There were about ten car loads from Jackson county. You surely meant Jackson county where you said "JEFFERSON".

I have been working on you two votes for Speaker. Cannot get a definite statement from either O'Neal or Kirby, but believe O'Neal will vote for you. The Alabama Power Co. has an influence over Kirby.

I am applying to Governor Graves for a JOB. I want you to check-up and find out for yourself if Swanners supported~~ed~~ The Colonel. I KNOW they did, but I want you be convinced. If you find that I am writing truth, then wont you please write the Colonel a letter stating that the relatives of Mrs. Ira Pegues were all for him in Limestone county. This should not hinder you any with your local endorsements, I mean a letter of that character. Anything you say will be appreciated. You may mail it or give it to Herman at the Athens Produce Co.

Hoping you win out in your race for Speaker, I am

Respectfully,

Ira Pegues.
