Mrs. E. B. Garner,
254 South Ninth Street,
Gadsden, Alabama.

Dear Mrs. Garner:

I have delayed answering your letter of the 20th instant until I could talk with Mr. Howell Turner, Secretary State. I saw him yesterday and he was of the opinion that no favorable action on your husbands petition would be possible until he had served at least 18 months.

I have not yet had an opportunity to contact Judge C. E. McCall who has just returned from a Birmingham hospital after a stay there of several weeks. I will, however, see him next week and hope to get a more favorable response from him than I had from Mr. Turner.

Please be assured that I am interested in your husbands case.

I have not found anything just yet in the way of a position for you. If anything develops I will let you hear from me immediately.

With kindest regards to you and your father. I remain,

Sincerely yours,

RH WALKER
