Mr. R. H. Walker,
Athens,
Alabama.

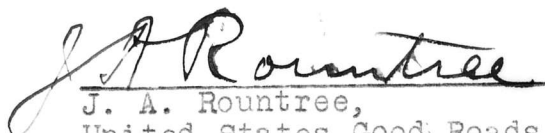

Dear Mr. Walker:

Enclosed find clippings from the daily Post and
Age-Herald in regard to your tax bill. I thought, perhaps,
you would not see, hence, I am sending same to you.

Today, I suppose I have met more than twenty-five
people who have commented, most favorably, on your bill.
Ten thousand people in Birmingham would sign a petition,
urging the passage of this bill. You would not only do
a great service to tax payers in Birmingham, but all over
the state if you secure the passage of this measure.

With very high personal regards, I am

Yours most cordially,

 Director General
J. A. Rountree,
United States Good Roads Ass'n.,
#3200 Cliff Road.
