Re: Pol. 726,483-

Dear Sir:

Referring to our recent correspondence concern-
ing the above numbered policy.

As the surrender check for \$13.03 represents
solely a portion of the cash value of the dividend
included in the surrender value of the policy, we
have been advised by our Home Office that it may
be delivered without the policy.

We, therefore, enclose the Company's check
for \$13.03 issued in full settlement of this
policy.

Yours very truly

Manager
