Mr. W.R.Walker,

Athens Ala.

Dear Sir:-

I am sending you herewith W.W.Phillips note, and note of W.R.Hendrix Et Al. attached as collateral security.

This note was returned to Mr. Porter and I have paid it off, and am sending it to you, for you to collect the W.R.Hendrix Et al. note.

I find upon investigation the Hendrix note was traded to Stone Porter & Clark soon after it was given and before due.

I am also sending you a little statement from Mr. Hendrix which seems to have been written and signed by him, where he acknowledges the \$500.00 to hold him bound in case he fails to complete his contract. This statement was written after the note was given as the note was dated October 4th, and the statement October 12th. I think this is a valid claim and this man should be protected. I do not know whether Phillips would be to lose any part of it, in the event they were to make a payment right away.

Very truly,

J. H. Ragsdale.
