

BIBB GRAVES

ATTORNEY
MONTGOMERY, ALA.

February 24, 1942.

Hon. R. H. Walker, Editor
Limestone Democrat
Athens, Alabama

My dear Mr. Walker:

I can not tell you how much I enjoyed seeing you when you were here yesterday. It seemed like old times for us to be sitting down talking about the man we both love and respect so much. Colonel Graves appreciates more than he will ever be able to say the fine cooperation that you gave him when you were Speaker of the House in 1935 and 1936. It would not have been possible to have enacted the splendid and progressive program that he gave the people of this State in that administration had he not had your whole support and cooperation at that time. In that connection, I am wondering if you would not be able to make the race for the House again this year? I know that it would be very gratifying to the Governor if you would again come to the Legislature and help him put over the program that he expects to furnish the next administration.

Assuring you of my highest regards and best personal wishes, I am

Your friend,
