To Mr. Harry Walker,  
House Of Representatives,  
Montgomery, Ala. Dept.

My Dear Friend,

I realize that you are and have been subjected to tremendous pressure regarding favors as to jobs and ect. However this is the first and last time I expect to call upon you and I feel sure that you will respond.

R.T.Slatton was promised by the Graves crowd that he would be retained, he made a contribution to their campaign and was active otherwise. I am asking that you see that he is given a square deal, that and nothing more. I know you can do it.

With kind personal regards, I am

Sincerely your friend,

  
L.H. Enloe
