Dear Mary:

The enclosed, beamed carbon copy of our reply to W. S. Peebles's communication will let you see that we requested him to advertise in the Limestone Democrat and to employ Mr. John McCord as the auctioneer in the matter of the sale. We also said use a Nashville paper as we thought it might attract the attention of furniture collectors in that old city. However, by leaving the selection of Nashville paper to the administrator's selection that item - if respected at all - may not be complied with. Hope you approve of this.

I typed another similar answer for Isabelle and have mailed it to her for her to sign and send to the administrator. I think she will do this at once. I also told her that we wanted her to come when you do to see me. Since she is at least in some sort of public service work, it may (over)

Not be possible for her to get off. In  
the event, maybe you and I or one of us  
can spend one day with her.

We'll be looking for you soon -  
Kindly and hastily -

Lawrence

IN THE MATTER OF THE ESTATE OF MISS FRANCES SNOW PRYOR, DECEASED.

Mr. W. S. Peebles, Administrator,  
Athens, Alabama.

Dear Sir:

In reply to your communication of June 5th, 1934, addressed to all parties interested in the above estate, we give herein below our answers to the questions asked therein in the order in which the same were asked.

#### INVENTORY

We have no suggestions to make as to the order in which the articles shown in the inventory should be grouped for offering at the auction sale but desire to leave this entirely to the discretion and judgment of the auctioneer herein after named.

#### PUBLICITY

As we feel that it is greatly to the interest of the estate that this sale be given as much publicity as possible, we desire and request that publicity be given this sale in the Limestone Democrat and in some Nashville, Tenn. paper to be selected by the administrator.

#### FEES OF AUCTIONEER

We think it highly important that a competent auctioneer be employed to conduct this sale and we are requesting that you employ Mr. Jim McCord of Lewisburg, Tennessee as such auctioneer and having confidence in his integrity and fair dealing, we are willing to leave the matter of his fees for his services entirely to his discretion.

#### REPAIRS TO STORE BUILDING

It is our desire that as little money as possible be spent for repairs to the store building, but if the administrator thinks such repairs absolutely necessary, then we hereby request that he make such repairs in an amount not to exceed the bid of \$57.26, being the largest amount submitted by bids on this work as enclosed with the administrator's communication with reference to this matter.

Yours very truly,
