Dear Mr. Walker:

Don't you think this would  
be a very good time for your  
paper to urge the building  
of Dam No 3? It would  
give work for people in  
this 8<sup>th</sup> Dist especially +  
as you know so many are re-  
ceiving the dole. They have the  
money, why not start the work  
all along the line. I really  
think it a good Campaign  
suggestion.

Sincerely yours,  
M. B. Edmundson
