Mr. R. H. Walker  
Athens  
Ala.

Dear Mr. Walker;-

I certainly meant to write you sooner but neglected doing so and assure you that I did not know you were sick until I received your letter and I sure hope that you are much better and will soon be entirely well and regain your strength.

It might develop that Sibyl Pool will be nominated to replace Mr. Harrison and I am doing all that I can to bring this about as I think it would be a good move.

The committee meets Tuesday the 28th. at which time the nomination will be made and I hope that we can carry it through.

Again wishing the very best possible for your speedy recovery and hoping that you will take care of your-self, and assuring you that it will be a pleasure to have you call on me when I can be of any service to you, I am,

Your friend

J.D. Carter
