Hon. R. H. Walker,  
Athens, Alabama.

Dear Mr. Walker:

Mr. Parker, the regular Warrant Clerk in the Comptroller's Office, was absent from the Capitol for a few days and for this reason I was delayed in getting the information which I told you I would furnish you in my talk with you over the phone the other day.

The amount paid to Speaker Pro-Tem Robertson, per diem, etc., was \$774.00. Mileage, which was allowed twice during the session, was \$60.00.

Had you attended you would have been paid the same amount per diem, etc., but your mileage would have been \$85.60, instead of \$60.00.

I am truly glad to know that your health is so much improved. You were missed at the last session of the Legislature by your many friends and they are all glad to know that you are getting your feet planted again on solid ground.

I hope sometime in the near future to have the opportunity to go to Athens and when I do I will be sure to look you up.

If I can serve you here at any time, command me.

With kind personal regards to you, I am

Your friend,

Chas. E. McCall.
