This is to my loving "ANGEL" sent from above.

The reason I called her my angel is because she truly was an angel.

She loved everyone. Just as Christ loves everyone.

She had that same Spirit that Christ has in Him. Love is who she is.

She was just like an angel sent from above. When I needed someone, she was there by my side.

She was an angel who appeared on my bed. She always told me one day that she would be leaving me.

*I asked her why? She said because my Father is calling me to a peaceful place,
where I didn't have to live in this old body any longer.*

She said my loving child not to cry. I will be watching over you just like an angel was watching over me.

Go In Peace My Child!!

*Your Grandchild,
Shauna*
