Memories

As we take time out today to reflect upon the memory of Allen let us all be grateful that he passed this way and cherish the time we shared with him.

We are so grateful we had the pleasure of sharing our love and time caring for Allen. He brought much happiness our way and we love him dearly.

Allen was born August 15, 1975 to Isabel and Willie Franklin. God in his providence always knows best. Allen was reared by his grandparents, Willie and Elvira. He has four sisters; Laquita, Cynthia, Tara and Monique; four brothers; Willie, Jr., Tori, Jarbar, and Joseph to cherish his memory. He has seven aunts and four uncles who will always remember him. There are other close relatives and friends to numerous to mention who share our sentiment.

In accord with the will of God, Allen entered eternity Thursday. Allen's leaving us has left us deeply grieved, but our hopes on reuniting with him would certainly turn our grief into joy . . . unspeakable joy.
