Dear Dad:—

I received
your letter today and
wish to tell you that
I mailed my letter
as soon you did yours
You said that I did
not write to you.
When I write home
the letter is to the
family and not
to any particular
one

I'm having a good time
and being good. I
appreciate your efforts
to get me in V.M.I.,
and will try to be
what you wish me
to. Uncle Tom
wrote to Hugh Mayron
this afternoon. I have
written two letters
home, one the day
after I got here,

but I forgot to mail
them. How is all.
I've met lots of
nice people here
and some I like
real well.

How is Bob Henry?
" are you?
" is mother?
" " mamma?

I haven't danced
a lick since I

hit town. Don't let
Savin leave until
I get there. I'll
lean out to Taylor
Field and Camp
Sheridan too.
What is our
crowd of campers
going now?
South all, will.
