

# SENATE CHAMBER

MONTGOMERY

ALABAMA

R. H. WALKER, SENATOR  
1ST DISTRICT—LAUDERDALE AND  
LIMESTONE  
ATHENS, ALA.

Athens, Ala.,  
June 26, 1931.

Mr. M. B. Morton,  
Nashville, Tenn.

Dear Mr. Morton:

Will you please be good enough to let me know whether the Tennessee Muscle Shoals commission's personnel has been changed in any way from its original composition? It was reported in Montgomery during the hearing before the committee that it had, or would be, changed. I trust you can get me this information so it will reach me Sunday morning, as I leave for Montgomery Monday. On Tuesday I will attempt to have the vote reconsidered by which the senate passed the resolution authorizing the commission, the vote being 17 to 15 with all the power company, the administration, the farm bureau and many lobbyists do to put it over us.

I shall appreciate your kindness in this matter.

Yours very truly,

*R. H. Walker*
