SELMA, ALA.

July 9th, 1930.

Hon. Harry Walker,
Athens, Alabama.

My Dear Mr. Walker:

Some one at Athens was kind enough to send Mrs. Knight a clipping of your paper, in which you so kindly and graciously spoke of Thomas Jr., (candidate for Attorney General) and of Mrs. Knight.

If you could have seen Mrs. Knight when she read your kind words of her and Thomas, you would have felt fully repaid for the space it required in your paper to make this mention of the two.

Mrs. Knight, before I left home after lunch, enjoined upon me not to return in the afternoon until had written you.

We always take a great interest in Athens, and what concerns you Athenians concerns us no little.

Again thanking you, I am,

Sincerely,

Thomas E. Knight
