Ladies:

Thank you for your replies to my communication of the 5th ult.

The great postponement of the sale of the personal property makes it timely for me to inform you that this estate is without funds or credit wherewith to pay the suggested expenditures for burglary insurance, repairs to the store building and advertising auction sale in Nashville newspapers.

Any present advances that those beneficially interested may make will be returned when the estate is in funds.

Very truly yours,

W. S. Peebles
W. S. Peebles, Administrator of the
Estate of Miss Frances Snow Pryor, Deceased.
