Hon Judge James E. Horton.

Scottsboro, Ala.

Hon dear Sir—

I am writing this, to ask you to please have pity on these poor unfortunate negroes of your locality— be lenient with them, and ask your people, to show them how to live— to us is human, to forgive divine. surely we can't forget they are creatures, also created by God— but, who unfortunately have not had the opportunities or privileges, that we the white Race have been fortunate enough to possess.

I feel that they are unjustly accused of a wrong. and deserve some consideration, in fact these girls and the State itself are more to blame for the existing conditions than these poor unfortunate negroes.

Be honest, with yourself— don't be another Pilate have pity on our unfortunate brother, be he Black Red Yellow or White God made us all. and He alone

is are Judge.

If a punishment is to be allotted - please  
spare their lives - and be just - we are all human  
and are to fall.

Wishing you a Happy Easter, and that God will  
help you justly in your decision.

Very truly yours
