My dear Harry

You are certainly broke  
about wanting me to  
come to Athens and  
start on the trip from  
there but I am afraid  
that it is impossible  
as Sister will not  
be ready before Monday  
I have been trying

to persuade Papa to  
let me come on by  
myself to morrow but  
he insists that when  
we do leave we shall  
leave together. I will  
expect you to meet  
me in Worcester  
on Tuesday eve. I want  
to as long as I can  
possibly persuade you

to go on with us. I hope  
you have decided to go.  
Chim Duckole who is to  
be with us is such a  
jolly girl and we would  
all have such fun together.  
She is to go with  
Mr. Buntin & Florence.  
There is one thing that  
I am praying earnestly for  
and that is that we  
will shake a cool breeze  
in our wandering around  
you. I have waited for  
the last few days. I will  
see you Tuesday so until  
then good bye.
