Hon. Harry Walker.

Athens, Ala.

Dear Mr. Walker.

I am applying to you for one of the positions as Committee Clerk of the House of Representatives, during the next Session of the Legislature.

I do not know whether the same people who were employed during the last Session have the assurance of the same places or not.

I will certainly appreciate any assistance you would give me, and if I obtained a place I assure you I will give my best to it.

Very truly yours.
