

St. Peter's Burg, Fla.,
Aug. 3., 1934.

Dear Memory:-

I am ashamed that-

I haven't ans. your letter
ages ago, but when I received
your letter, I was sewing
night-and day trying to get-
thru my sewing for my customer-
all leave town in June & July
and then I didn't get thru until
week before last, and since then I
have been to tried to think no rest-
night or day since Xmas till now
so I feel like a bird out of the
cage.

don't think I could have stood it-
much longer, It seem like I
never was so tired of sewing in my
life. Auntie said Mrs Mary
Hightower said some thing to her
about the fence and she looked
at ~~thra~~ her papers, but - couldn't
find any thing, but she just
never get back over to Miss
Mary to let her know, But -
she says she knows he, ^{Aunt Billie} built -
The fence for Miss Snow, but -
didn't know any thing about the
key. She is sorry she can't
help you out. All hope things
all works out for the wright -

and In The best,

I sure wish I could have come
home this summer, but seems
impossible this time. Auntie
seems to be enjoying her visit-
we have tried to make it as
pleasant for her as possible
she loves to go place as well as
any child you ever saw.

She like good things to eat
and she can't eat anything so
I try to have things she likes
every thing seems to agree with
her which I think is a blessing at
her age.

Best-wishes

Love Ara,
