Auburn, Ala., April 27, 1934.

Dear Sam,-

I hope that you people over there will do all you can to elect Senator Harry Walker to the legislature.

Senator Walker is well known to you as to me. He is a man of splendid ability, honest and fearless. I knew him well in the last legislature. In him the people of that district had an able and faithful representative, or senator. He is entitled to an endorsement.

With regards to the family, I am,

Sincerely yours, .

My dear Senator Walker,-

Above is copy of letter I am writing to Sam Flanagan who married my sister. He lives on Route 6, Athens.

I hope that you win and regret that rush of work in my office prevents my doing some personal work for you.

Faithfully yours,

*W. H. H. H.*
