Mr. Harry Walker,
Athens, Ala.

Dear Senator :-

I am writing you this letter to thank you for getting Wray Barclift my son-in-law a position with the income tax department with the state. I have been to Athens several times in the last ten days but failed to see you. Wray is well pleased and in my opinion he will make the state a good man, one that you will be proud you assisted him in getting this position.

When I see you in person we will dig deep in what we were talking about for the future.

Again thanking you, I am

Your friend,

P. W. Williams.
