Sardis, Miss.

Dear Aunt Memory and Uncle Harry,

I want to thank you both for your hospitality to Mother and me while we were in Athens and to tell you how much we enjoyed being with you. I want to thank you too, Harry, for all your help on the store business before and during the trip. I couldn't have managed without your help and advice.

We had an uneventful journey home and Bob was waiting for us at the bus station. It had rained heavily all the way down, from appearances and we have had more and more of it since our return. I have been in the house with a cold for the past two days, but hope to get out tomorrow if its clear.

I hope Mr. Chambers got to work on schedule and that the repairs will soon be finished. I mailed back the estimate to the Athens Lumber Co. Have not yet received the insurance check but expect I will soon.

We enjoyed so much knowing Frances and little Bobbie, who is certainly a grand-son to delight the heart. He is a grand little boy.

I hope we shall see each other more often and under circumstances where I am not running around in circles. Let us hear from you from time to time, as we are always interested in what concerns you and yours.

Thank you again for all your kindness. Mother and Bob send their affectionate greetings.

Love,

Euth
