ROBERT B. EVANS, Postmaster

August, 12, 1935.

Hon. Harry Walker, Senator,
Alabama,
Montgomery, Ala.

My Dear Senator:

We have read Senate Bill 328, offered by Senator Russell of Sealm. We write to urge you to vote and use your valuable influence to defeat this bill. Municipalities such as ours would be greatly and detrimentally effected by the passage of this bill and we are bitterly opposed to it.

It is a hard struggle for the smaller municipalities to collect enough revahue to ~~maintain~~ run its affairs as it is, ~~and~~ such legislation as this bill will impoverish and greatly damage our efforts to take care of operating expences.

We will thank you kindly to help defeat this bill.

Very respectfully,

J. H. P. P. P. Mayor
J. J. C. C. Alderman
J. H. G. G. Alderman
M. A. H. H. Alderman
Alderman

Robert B. Evans City Clerk.
