Dear Dad:

Mother understood you to say "send me two plates" but I imagine you meant and said two sets of plates (one for Darnall, one for Goodloe) so I'm forwarding two complete sets. Trust this works out satisfactorily.

No letter arrived from Speight.

The enclosed post-card----postmarked Saturday afternoon at 5 p.m.---came this (Tuesday morning) from Byars at Moulton. Knowing not what to send him and his deadline having passed, I enclose nothing whatever. I'm sure you'll love that. Grand P.O. service.

Right after you left Monday E. W. Fanning of Huntsville called you. Said call him and reverse the charges. Operator 4, H'ville, handled call.

George Rudder, back last night from Jackson, called and advised you see Wimberley, 4 to 10 p.m. ticket man at the Decatur station, who is influential in Jackson. Wimb. is a brother of Pryor Wimb. and will recall me if you tell him that I went up to Wx. as the sole (phoney) Baptist at convention time and later ~~Wimb. bought~~ bought two more Wx. tickets from him. ~~Tell him~~ I also know, better than I do Wimb., Frazier, who relieves said W. at midnight. Wimb. is the fellow you and I saw over there just before I went last to NY.

Rudder is coming in and give me the result of his trip soon, he says, not caring to talk over the tellyphone.

All else is quiet, except the gossip hounds ~~are~~ are on the traces of a few localites.

Bill
