

May 31, 1955.

Mr. Leo Gilbert,
Camp Kilby,
Montgomery, Alabama.

Dear Mr. Gilbert:

I acknowledge receipt of your letter of May 26.
I want you to understand that I deeply sympathize
with you in your trouble but I consulted Mr. Draper
as you requested and he assured me that you had
been given several paroles and had them revoked for
cause.

Since he would not endorse further parole for you
I see no way to help you at this time.

I sincerely hope that conditions will change and
that later on you will be able to secure favorable
attention of the Pardon Board and Governor.

Sincerely yours,

R. H. WALKER
