Dear Dad,

It looks as if I'm not at
all interested in your campaign. I
should have written earlier instead
of sending my messages. Well any-
way I'll try to make up for it
by campaigning when I come home.
You know we'll probably be all
away this time next month.
Are getting excited about it already.
Just hope it works out as we
have it planned.

I suppose you has written
that she's ill. I called early Tuesday
morning and found that she was
sick and so I went right over.
The doctor came while I was
there. He found that she had
no temperature but told her to
stay in bed. She did have some

from yesterday. I've just
 called this morning and they
 say she's not to get up today.
 She try to get over this afternoon.
 Can't go this morning as I
 expect a man to work here all
~~over~~ morning. She was here
 the other day because she was
 quite deaf. She's had so much
 trouble with her ears all winter.
 This illness started with what
 she thinks was an abscess ear.
 The doctor around her that time
 says is temporary but she
 felt a bit concerned about it.
 She probably needs to take her
 vacation early and get a good
 rest.

We've been interested in the
 Black-Bird scrap. Hope some-
 body succeeds in calling his

hand. He's gotten away with
too many shady deals already.

Mitchell is up from
Washington for a day or two.
We expect him out to dinner
tonight. If you stay - put her
easy enough you are everywhere.
Mary Ann (Abbott) and her husband
from St Louis are to be here some
time this week. His people live
here but I'll have them to some
meal. It will probably be lunch
as Bill is busy in the evening
and I don't like to interfere in
any way.

The man has just come to
work so I'll have to stop.
Love to each of you and we'll
see you soon,

Mamie
