Judge Allen J. Roulhac,
Sheffield, Ala.

Dear Judge Roulhac:

Your letter with reference to Mr. S. E. Roper of Sheffield, who is an applicant for a position with the Labor Relation Department of the Tennessee Valley Authority, has been received.

I am today writing Dr. Reeves of the Personnel Department of the Tennessee Valley Authority, and sincerely hope that Mr. Roper will be successful in securing the position he desires.

I very greatly appreciate your fine support and good wishes. I agree with you that this Legislature has an opportunity of rendering real service to the people of Alabama. I am sure that the best way I can serve myself is to bear in mind at all times that I am here to serve the people instead of myself.

Sincerely your friend,

RHW:fm

R. H. Walker,
Speaker.
