Tuesday:-

Dear Dad:-

Just wrote to let you know we're all well and to forward some of your mail. I find one letter from New Orleans that I don't understand but she's all on the Q.T. We're not far from being ready to go to press and I hope you'll approve of my first issue. I may get mixed on the books but I'm playing it square and hope I don't turn up short. Love from all and lots,

From,

Bill
