Senator R. H. Walker

Athens, Ala.

Dear Senator Walker;

Just a word to thank you for your letter, the copy of your paper and for writing such strong letters to Senators Black, Norris and others in my behalf and to express my appreciation for the most valuable publicity which you have secured for me by your prompt and wise efforts. No one could have shown a more friendly interest or exhibited better judgment in placing before influential leaders and the public my fitness for the position. Believe me I deeply appreciate what you have done.

I am glad to know that you are coming down on Friday. I will be here. Will be glad of the opportunity of talking with you. I saw William a few days ago and told him of a talk I had with Judge Johnson. I had a talk with Sam Cooke a few days ago and he told me he was inclined to support you. I want you to see him and some others here whom have not always agreed with us but who may be gotten in line. Will expect to see you on Friday, if I hear nothing more from you.

With regards and best wishes, I am,

Sincerely yours,

Allen J. Roulhac
