Dear Mr Walker

I have had no reply to my letter  
of ten days ago in regard to being  
appointed exoner of account. I see  
from the press to day that the  
Governor will appoint 30 additional  
examiners to make special examinations  
to protect the State. through the Law  
of National Security. Company.  
See. What you can do. I have seen  
this work before. I will appreciate what  
you do. I know you are a busy  
man. as well as for Groves.

I believe you can do this  
Yours truly  
W. J. Nesbit
